A message from Mrs. Scholz

It has been the quiet before the storm this week as we have been preparing for all the amazing things which will be going on next week. Willow classroom has slowly been turning into a pirate ship and Mrs. Kelsall has heard suspicious 'Ooh Aar' noises coming from the classroom. We are still on the look out for pirate costumes if you can help. We hope you are coming to one of our performances on Wednesday at 2pm and 6pm—please bring some money as the School Association will be selling cakes. Our Bluebells are off to 'Imagine That!' in Liverpool on Thursday and while they are away, Willow Class will experience the extravaganza that is CalderFEST, to send Jayda and Alfie off in style. Our Leaver's Tea Party will round the week off on Friday—please come and join us to wish our Y6s well.

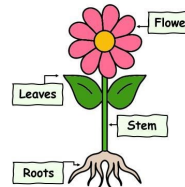

happy
WEEKEND!

News from our Classes Bluebell Class

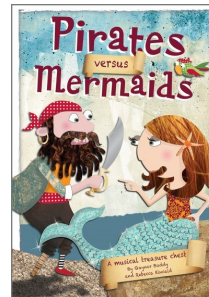

Bluebell have had a super busy week practising songs and acting. They have also remembered lots of Science learning—collaging parts of a tree and plants. Great learning Bluebell—Well Done!

Parts of a Flower

Willow Class

In Willow this week, we have been perfecting our end of year performance! We've added more jokes, amazing dances, and fabulous solos! What a talented bunch we are!! We also had tennis and had a chance to learn our newly acquired skills in a match! It was so much fun!! It was the last forest school for a while, and we did some orienteering around school grounds. There were 10 locations the teams had to find. At each station was a pen and they had to mark the correct box on their card. This was good for teamwork!

Lead Learners

Bluebell Class –

Louis is our lead learner for brilliant listening and learning all week!

Willow Class -

Hector is our lead learner excellent singing and having the voice of an angel.
