## A message from Mrs. Scholz

We were so pleased to welcome Karen from the Life Education Team to school this week and her beautiful black labrador Luna. Karen visited Bluebell Class to tell them all about Pantosaurus and the Pants Rule—we loved the song which is now stuck in everyone's heads! She spoke to our junior children about growing and changing and the things that will be happening to our bodies as we get older. The children were SO sensible and mature and we were really impressed with the thoughtful questions they asked. We know that the sessions for both classes this week might have prompted your child to ask some interesting questions at home—please let your child know that we are happy to chat to them about things in school too.

## News from our Classes

### Bluebell Class

Bluebell have had great fun writing wanted posters for the troll and Goldilocks! They have made great progress in their handwriting and spelling too! EYFS have made beautiful sunflowers and retold the 3 Billy Goats indoors and outdoors! The children have really enjoyed their tennis lessons and also learnt in R.E that Jesus was a Jew. They have learnt about the Jewish festive day Shabbat and role-played Shabbat in the home corner.

### Willow Class

This week in Willow we have had a fantastic computing lesson with Mrs Taylor, she showed us how to record, edit pan, zoom in and out and high and low shots on the iPad. We made film clips about our school, they were amazing and some were extremely funny. In forest school, we made bread! Wild baking! It was so much fun, Kirsty baked it on the fire for us, and we all enjoyed trying it at the end of our session.

Our science lesson was all about our kidneys, we learnt about the important job that they do in our bodies. Our times table recall is getting better every day. On Thursday, we went down to the river, to draw and paint. We created some masterpieces of the beautiful countryside where our school is set.

## Lead Learners

### Bluebell Class –

Our lead learner is Elsie for making super progress with her handwriting.

### Willow Class -

Our lead learner is Alexis– he is a times tables wizard!
