## A message from Mrs. Scholz

We were very pleased to welcome Pearl into our Calder Vale School family this week. Pearl has joined Willow Class in Year 3 and the children have made sure she is already feeling at home. We are SO pleased she chose our school!

Willow Class had a great time on their trip to the Eureka discovery centre in the Wirral this week. Their behaviour, as always, was excellent and Mrs. Cole and the Willow team were SO proud of them.

Willow Class will just have one more day when we return after Easter before they are off on their residential trip to Dobroyd Castle—everyone is very excited! We hope you all have a lovely Easter break and we will see you on Tuesday 22nd April!

## News from our Classes

### Bluebell Class

Hip hop hooray, it's been another fabulous week full of fun and frolics! This week we have been enjoying participating in Easter themed activities, such as marbly foam Easter cards and handprint chicks. In R.E we listened to the story of Holy Week and discussed the Easter Story, and the significance of our Easter celebrations. The children could recount that Reverend Michael, who came in the week before to talk about Holy Week, explained that Jesus died for us and George recalled that the boulder which was placed in front of Jesus' tomb is representative of the Easter egg. We have enjoyed exploring the size and patterns of Easter eggs, as well as going on our very own Easter egg hunt! Bluebell Class wish you a happy, hoppity Easter and we look forward to seeing you after the Easter holiday.

### Willow Class

Willow Class had a fabulous day on Wednesday at Eureka, they particularly loved the Robot Show and got to meet Barkimedes the Robodog. In DT they have learnt about Structures, making air raid Shelters—this also links with their History topic on WWII. We were lucky to have Open the Book team join us for worship this week, they reenacted the Bible story of John the Baptist.

## Lead Learners

### Bluebell Class -

The lead learner this week goes to Alfie Ryan for challenging his learning, making new friends and settling into Bluebell class. We are really happy you have joined Bluebell Class, Alfie!

### Willow Class—

Our lead learners are Hector and Alexis for great independent work in DT
