A message from Mrs. Scholz

Thank you for all the hard work that went into the children's costumes for World Book Day yesterday—everyone looked fantastic! The weather was so lovely that we were able to go outside and have a Book Day Cat Walk so everyone could show off their outfits. Lots of the children, and adults (!), really got into character which was great to see. The children had a fabulous day sharing books with their friends and enjoying reading—please see the photos over the page and on Facebook.

We are just in the process of planning our summer term trips. Bluebell Class are hoping to accompany Bowland Class and their friends from Bowland Class at Scorton School are hoping to go to 'Imagine That!' in Liverpool and Willow Class are off to 'Eureka' Discovery Centre in Halifax. Please look out for letters which will be coming out very soon.

News from our Classes

Bluebell Class

We have had a very busy and exciting week in Bluebell Class, this week. We have continued our learning about Space, re-enacting the moon landing and remembering key historical facts about Neil Armstrong. In R.E we talked about why we have Shrove Tuesday and we celebrated this Christian event by making delicious pancakes. We also discussed the significance of Ash Wednesday and made Lenten helping hand promises, reflecting on how we could show kindness and gratitude during the time of Lent. Then on Thursday we had a fabulous time dressing up and celebrating World Book Day, spreading our joy and love for literacy through games, storytelling, story acting and of course reading! What a wonderful week of learning we have had.

Willow Class

In Willow Class, Year 4,5,6 have created their own inventions, based on the story of Hugo Cabret, they had lots of fun selling their product to the other children. Year 3 have started 101 Dalmatians and have found the first part of the story funny as all the characters end up in the pond!! In science the children have enjoyed the practical activity they did, making blood!!! Blood you say, well ours contained food colouring, salt, marshmallows, Rice Krispies and split peas! World Book Day-Wow, our class costumes were amazing; we had mice, magicians including the famous Harry Potter and Hermione Granger, footballers and Luigi! We designed our own comic based on the story 'Barbara throws a wobbler!' There were some amazing new characters created.

Lead Learners

Bluebell Class – The lead learner this week is Kaia for her perseverance in writing her astronaut narrative.

Willow Class— Ella B is our lead learner for fabulous perseverance when learning her times tables
