## A message from Mrs. Scholz

Mrs. Tomlinson has been poorly this week so Bluebell Class have had the opportunity to show off all their amazing skills to Mrs. Pollitt and Mrs. Nickson from Scorton School who have been teaching the children in Mrs. Tomlinson's absence.

We are very grateful to our School Association and everyone who attended the Bingo and Craft evening last Friday. They raised over £400 for our school which is a very impressive amount.

We will be starting to rehearse our Christmas performance next week—'Midwife Crisis'. A very busy midwife, who never misses an important birth, is extremely excited when she hears that a king is about to be born in Bethlehem. This is the story of how she and her put-upon donkey, Steve witness the birth of Jesus. Get ready for lots of singing at home next week!

## News from our Classes

### Bluebell Class

This week we have read the Stickman story. We have explored all the settings and chosen our favourites. In Maths, we have been halving and quartering. We have been on an Autumn Hunt, searching for changes and thinking about the weather.

### Willow Class

Willow Class participated in Glow Dodgeball this week at Garstang Academy—they were fabulous! They have finished reading the story 'Stig of the Dump' and are now planning their own independent write based on the plot. They are going to write about a gadget they invent with a Stone-Age person. In Science they are continuing to monitor their seeds and record their observations. We have had some surprising outcomes. The children have completed their end of term assessments and have impressed Mrs Cole with their resilience, determination and knowledge. It has been another truly wonderful week in Willow!

## Lead Learners

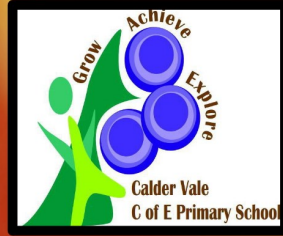

**Bluebell Class** – Our Bluebell lead learner is Ellie for an AMAZING week of learning—well done Ellie, you're a superstar!

**Willow Class**— The whole of Willow class are lead learners this week for their amazing resilience and determination in their tests this week.
