Grow...achieve...explore...Grow...achieve...explore

A message from Mrs. Scholz

A big thank you to the School Association for all their hard work in organising the Spooky Disco last week—everyone who went had a scarily good time! We hope you will support their upcoming Christmas Craft and Bingo Evening.

Thank you also to everyone who kindly sent in money for poppy merchandise this week—we will let you know how much we have raised.

Our Teddy Name Draw for Children in Need will take place next Friday (15th) so if your child has not yet entered, please make sure you send in £1 next week. You have to be in it to win it!

News from our Classes

Bluebell Class

We have had lots of busy Bluebells this week! Reception and Preschool have thoroughly enjoyed our Bonfire themed week. They have made rocket fireworks, edible sparkler treats and some fantastic firework artwork. Year 1 and 2 have been learning about trees and are able to distinguish between deciduous and evergreen trees and can also match the fruit or nut to the tree it came from. It has been a week for making bread in Bluebell Class. Year 1 and 2 worked together to follow a recipe to make bread which would have gone perfectly with our pumpkin soup from last week! Reception and preschool also made bread just like the little red hen in our story, but luckily Bluebell children love to help each other, unlike the characters in our story.

Willow Class

Willow Class have had a fabulous week, they have started reading our new English novel, Stig of the Dump, they have been great vocab spotters. They have continue with the topic Monotypes in art and created some wonderful art work using charcoal. Yesterday they were introduced to the primary school in Blackburn which they are linking with, for our Linking Schools program, they made some bunting all about themselves which we will send to the school and we are very excited to receive their bunting back. Today is non-uniform day which is always a huge hit with Willow Class.

Lead Learners

Bluebell Class – Oscar W for being all round amazing all week!

Willow Class— Stuart for great perseverance with measuring angles and handwriting
