A message from Mrs. Scholz

It was great to see so many of you at our Parents and Carers Evening yesterday. We really enjoy having the opportunity to tell you about how well your children are getting on in school. Both Mrs. Tomlinson and Mrs. Cole received some lovely comments—everyone seems to have made a super start to this new school year!

We are very sad to be saying goodbye to Miss. Jones and Mrs. Horne today. They are both much loved members of our Bluebell Class Team and we will really miss them. Mrs. Horne is off to Dolphinholme School to develop her skills as a 1:1 support assistant and Miss. Jones is pursuing her teaching career. We have two new team members joining us on Monday.

News from our Classes

Bluebell Class

Another busy week in Bluebell Class this week. Year 1 and 2 have been learning all about Oceans and Continents as part of our Geography topic and next week we will be combining this with our English work and creating a non chronological report all about continents and oceans. Preschool and Reception have been enjoying the story of the Magic Porridge Pot and have been thinking about what wishes they would like granting. They ended the week making some yummy flapjacks with a little help measuring from Year 1 and 2. We made the most of the lovely Autumnal weather enjoying some time in the forest going on an Autumn hunt, looking for signs of Autumn. The children made some beautiful leaf and bark rubbings.

Willow Class

'In Geography, I made a poster about the UK, I found lots of interesting facts. In Maths, we have been multiplying 2 digit numbers by 1 digit—I am really good at this. I get my own creature for my story, instead of the Great Storm Dragon, mine will be...you'll have to wait and see!! Science was all about space and we travelled across millions of miles to get to Neptune'.

'This week, in Science, we have learnt about the phases of the moon; the words waxing and waning as well as new and full moons. In Geography, we researched capital cities in North America, South America and Europe. Then we made posters to attract tourists to a country. I chose England. I am enjoying putty spellings this week. For our homework, we had to complete a project and I made one about blood in the human body.'

Lead Learners

Bluebell Class –

Edie-Rae is our lead learner for her excellent phonics—well done Edie!

Willow Class—

Our lead learner is Thea! She has thrown herself into life in Willow Class with such enthusiasm—and she brightens our days with her beautiful smile!

ALL
ABOUT
IT

This week we have been doing more of the Mousehole cat. We wrote a class version which is about a corgi called Bronwyn. She's so cute! I can't wait to make my own version! That's all for now -
bye!

CARTMELL TENNIS

21.10.24
-
25.10.24

The poster features a warm orange and brown color palette with autumn-themed illustrations including leaves, pumpkins, and a tennis ball. A cartoon boy in a yellow shirt and orange shorts is shown holding a tennis racket and standing on a tree stump. The text is presented in a mix of bold, sans-serif and playful, rounded fonts.
