A message from Mrs. Scholz

We had some very important visitors at school today. Mrs. Woods and Mrs. Green who are School Governors, came to visit us to find out more about what it's like to go the Calder Vale St. John's. Jayda, our Head Girl, showed them round, telling them all about what makes our school special and answering all their questions. I was SO proud of her for being such a wonderful ambassador for us. Both our governors, left, having had a lovely morning. They spoke so highly of our children and our staff and said what an amazing place our school is. We agreed—we hope you do too!

News from our Classes

Bluebell Class

We had a fantastic trip to Brockhole on Wednesday and were so lucky with the weather! The children's behaviour was excellent and all staff were incredibly proud of how well they represented Calder Vale. Our day was packed full of fun Autumn activities, starting with an Autumnal walk identifying the leaves of a wide range of familiar trees. After a very well-deserved lunch, we used the leaves collected in the morning to experiment with leaf printing and making artwork inspired by Andy Goldsworthy.

Key Stage 1 have been enjoying robot themed poetry this week and have been choosing their favourite poem and explaining their reasoning. EYFS have enjoyed the story of Goldilocks and the three bears and have been linking this to their Maths, finding objects that are big, medium and small, just like the three bears.

Willow Class

'We have made models of biomes; there were rainforests and deserts—you can see them in the school entrance, they are amazing! In English, we have used the Mousehole Cat to find different word classes; such as nouns, adverbs and fronted adverbials. Did you know the planet Neptune takes 165 years to orbit the sun? Isn't that crazy!!
Hector

'In English, we've learnt about Tom, Mowzer and the Great Storm Cat. We have done multiplication in Maths and learning times tables. Learning the order of the planets in Science has been fun, I love the planet song!
Imogen

Lead Learners

Bluebell Class –
George is our lead learner for his superstar reading.

Willow Class—
Briar is our lead learner for her fantastic maths work.

This week we learnt about biomes. I really enjoyed building a biome. We have been learning more about the Mousehole Clas for English. At playtime I played hand ball and I won!
That's all for now -bye!!

The poster features a warm orange background with autumn-themed illustrations: leaves, pumpkins, a boy with a tennis racket, and a calendar. The text is arranged in a clear, friendly layout, with club names and schedules on yellow sticky-note-like boxes.
