## A message from Mrs. Scholz

It seems that autumn is well and truly here, there is definitely a chill in the air! Bluebell Class are looking forward to their trip to Brockhole Visitor's Centre in the Lakes for 'Brock's Autumn Amble'. A day of exploring the local plants and animals and thinking about how the changing seasons affect them.

Both Willow and Bluebell will be off to Crafty Diane's Art Studio at Bridge House Marina later this term to paint some pottery and see how it is glazed and fired. We are hoping to make some special Christmas gifts which you might be lucky enough to receive!

Our Harvest Service in Church is on the afternoon of Friday 18th October—we hope you will be able to join us.

St. John's Church are holding a Harvest Weekend next week with refreshments and stall in church and a special service with Pilling Brass Band on Sunday the 22nd. Please come along if you are free!

### Lead Learners

#### Bluebell Class –

Our Lead Learner this week is Dominick for his positive approach to learning in all subjects.

#### Willow Class—

Alfie R is our lead learner for reading so enthusiastically in school and at home and earning his first reading badge!

## News from our Classes

### Bluebell Class

Bluebell Class have had a great week. Our theme this week has been 'Pets', we've really enjoyed talking about and sharing pictures of our pets. Thank you to all those parents who sent in photos for us to share. We have been learning about different groups of animals and are now able to sort animals according to their characteristics.

In Maths, EYFS have been getting even better at using numbers, especially 1,2 and 3. The children in Key Stage One have been enjoying finding one more and one less than a number.

Our English work has linked nicely to our pets and Key Stage One have been enjoying the story of 'The Perfect Pet', next week we are going to tweak it slightly to include our own perfect pet. EYFS have been learning all sorts of facts about goldfish from their story this week, 'My Pet Goldfish'. Did you know that there are over 200 different types of goldfish?

### Willow Class

'This week I have enjoyed maths, it is so much fun! I like the sticky maths and lessons when I learn new things. I have really enjoyed the art—especially drawing the Mousehole Cat from our English story.'

Alexis

'I have really enjoyed learning my 3 times tables in maths. We had singing this week and the 3 little birds song was amazing. I can't wait for the next song!' Ella B

# Meet our Head Girl Jayda!

Hi, I'm Jayda the new head girl! My mission is to help support my school family. I am kind, resilient, love animals and want to help others. I really enjoy maths, reading and looking after the little ones. I strive to be a fantastic role model and represent the school values.
