Grow....achieve...explore...Grow....achieve...explore

A message from Mrs. Scholz

Bluebell Class welcomed 4 new members today when they came for a taster session ready for September when they officially join our school family. Our Bluebells welcomed them in their usual friendly style. Corey was a particularly wonderful role model for us all, taking his new friends under his wing and making them feel at home.

Claire's Drop-In was very well attending on Wednesday and it's great to hear what a supportive community this session is creating. Claire will be back with us in September and we will be running half termly drop-ins as a regular event.

News from our Classes

Bluebell Class

Bluebell class have had a really busy week with year 2 visits to Willow class and our new September Bluebells coming to see us. We are all really proud of what great role models and members of our school community we have been. We have continued to enjoy using the ipads to be photographers and have explored some filtering and editing to see how this changes things. We have continued to explore the story of Jack and the Baked Beanstalk, year 1 and 2 have written some diary entries in the role of Jack and then the Giant, whilst EYFS have role played working in the fast food truck and have created menus with eggs from the hen and baked beans from the beanstalk. In maths year 1 and 2 have been exploring statistics and answering questions about data, whilst EYFS have been using positional language within construction and play. In science we have all thought about how we as humans grow and change, we loved thinking about the things we could and couldn't do as a baby.

Willow Class

Willow Class has had another busy and exciting week! We finished our Last Bear novel and finally discovered what happened to Bear at the end of the story. In PE, we have been developing our hockey skills and taking part in shooting practice. During Life Education, we have been learning all about ourselves and what makes us unique. In History, we have continued our learning about the Vikings, while in DT we have started making delicious bread rolls and tomato soup. We have also been busy practising songs for our end-of-term performance and are looking forward to sharing them with you soon.

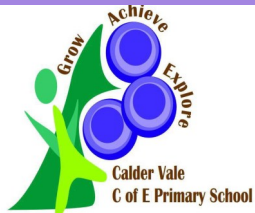

Lead Learners

Bluebell Class—Ivy for always trying to be the best she can be!

Willow Class— Oscar D for his super behaviour
