Grow....achieve...explore...Grow....achieve...explore

A message from Mrs. Scholz

The heat hasn't stopped us working hard this week at Calder Vale—we're made of sterner stuff! Bluebell Class had an amazing time at the Sealife Centre in Blackpool and the Gruffalo Clubhouse this week. The children had the BEST time and Mrs. Southward and her team were SO proud when another school commented on our children's excellent behaviour.

Willow Class are working hard to perfect their roles in our end of term production. I'm sure some of you already know the songs by heart—they're very catchy.

The forecast looks positive for Sports Day next week—please cross your fingers for us!

News from our Classes

Bluebell Class

Wow! Bluebell class had an amazing time at The Sealife Centre and The Gruffalo Clubhouse this week. They were all such amazing role models. We even received comments from teachers from another school about our wonderful behaviour and listening! We really enjoyed looking at the different sea creatures and finding out all about their habitats. We were all amazed by the giant sea turtle! We then loved having a dance with The Gruffalo and burning off some steam climbing in the play equipment. We also welcomed some of our new September Bluebells again this week where we showed how welcoming and friendly we are again. Our adults are just beaming with pride this week!

Willow Class

This week in Willow Class, we have had another busy and enjoyable week! The children have begun practising for our exciting summer production and are already showing great enthusiasm and confidence. During swimming, we focused on the important topic of water safety, helping everyone learn how to stay safe in and around water. Despite the hot weather, the children loved exploring and playing in the woodlands, making the most of our outdoor learning. To help us keep cool, everyone enjoyed a refreshing ice cream and ice pops, which were a real treat! The children also completed their assessments this week, and we are incredibly proud of the hard work, resilience, and positive attitudes they have shown throughout.

Lead Learners

Bluebell Class— Barney for showing good listening ears this week to his friends and teachers.

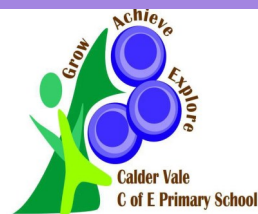

Willow Class— Charlie for his amazing concentration and determination during our assessments.
