Grow....achieve...explore...Grow....achieve...explore

A message from Mrs. Scholz

A huge thankyou to everyone who came to support Sports Day this week, including our School Association who worked together with Scorton parents to provide our Refreshments and Jonty from Scorton Spar who gave everyone an ice cream. It was great to see so many of you there, cheering our children on. We have received lots of kind messages thanking the staff for their hard work and commenting on what a lovely event it was. It means a lot to our school team when families get in touch to praise our work—thank you—we couldn't do it without your help and support!

News from our Classes

Bluebell Class

Bluebell class were amazing at sports day! They really cheered on for all their classmates, showed true resilience by having a go at all the races and by showing that sports day is not always about winning but about having fun with your friends. They are also working so hard on the songs and their lines for the performance, we can't wait for you to see it! We have been practising our maths fluency skills in big maths and recapping our reading and spelling in phonics and English, to make sure we are ready for moving on to the next year group. In science this week we recapped how to keep our bodies healthy through the healthy plate, why we do exercise and why we need to look after our teeth.

Willow Class

We have had a wonderfully busy and exciting week in Willow Class! The children have been putting their absolute all into Sports Day, showcasing fantastic determination across all the events. Alongside our sporting achievements, we have been working incredibly hard practicing for our upcoming school performance—the children are doing a brilliant job learning their lines and songs, and we can't wait for you to see it. On Thursday, everyone thoroughly enjoyed a special collective worship session taken by 'Open the Book', where they brought the Bible story "I Can See" to life in such an engaging way. Finally, during our swimming session, the focus turned to an essential life skill as the class practiced water safety, learning how to stay safe and confident in the water. We are so proud of how hard Willow Class is working as we head into the final weeks of term!

Lead Learners

Bluebell Class—

Alfie for always being such a fantastic role model to others.

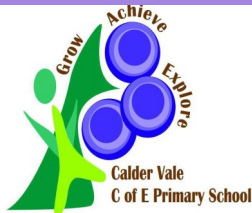

Willow Class—

Rai, growing in confidence in rehearsals and pushing himself out of his comfort zone
