## A message from Mrs. Scholz

How have we got to the penultimate week of term so quickly! This summer has flown by!

We were very lucky to be visited by Michael Cosgrove who will be our singing teacher in September. He popped into school to meet everyone on Wednesday and was able to help us with our rehearsals for 'Gigglebox'. Our 'Pritt Stick Song' is much improved as a result of his advice! Michael will be teaching Willow Class once a week but has also offered to do some individual and small group lessons too. If you haven't already let us know that your child would be interested, please contact Mrs. Kelsall.

## News from our Classes

### Bluebell Class

We cannot believe it is nearly the end of the school year. We are all so proud of how far each of our Bluebells have come. Not only with their academic learning but also in their confidence, resilience and independence. I feel very lucky to have joined such a wonderful class and school. The children have given me a lovely first year and I already can't wait for all the exciting things we will do next year. Our year 2s will be very much missed in Bluebell class but we know they are going to love it in Willow. We can't wait to share our summer performance with you next week.

### Willow Class

Willow Class has had another busy and exciting week! We were delighted to meet Michael, our new singing instructor, who gave us some fantastic pointers to help us prepare for our songs in the Summer Performance. The children have also been enjoying cooling down with ice pops during the warm weather, which has been a welcome treat! On Monday, they had great fun taking part in lunchtime sports, where they played a hockey game with coach Harry and showed off the skills they have been learning throughout the year. Play practice is going really well, and the children are becoming more confident with every rehearsal. We are all looking forward to our dress rehearsal on Friday afternoon and can't wait to share our performance with you soon!
